“My Best Friend, My Teacher & My Inspiration”

*Words cannot express all you have given me,
Your kind way, Your loving nature, Your understanding nudge
and your sweet nicker that always made my heart smile.
No longer will our foals have a gentleman to teach them right from wrong.
They miss you dearly, we all do.
You will never be absent from my heart & I love you with all of it, forever.*

*We all love you & miss you, beautiful Czarboy!
Run like the wind...Be free!
Happy Trails, sweetheart...until we meet again.*
